

# EIGHT LANE CUSTOM PIE FILLING LINE

## Features Include:

- ❑ Stepper motor star wheel
- ❑ Timed right angle pie loader to stage the shells in 8 lanes
- ❑ Transpositor to automatically drop the pie into platens and two servo piston depositors.

As the servo depositors cycle each pie shell is rotated 360° and moved in the direction of travel to achieve the desired appearance.

Color graphic interface allows the operator to monitor and adjust the line.

A leading bakery equipment manufacturer committed to service,  
Hinds-Bock has the answer to your bakery depositing needs.
